Dear Mr. Mascoe,

We have found the following post on Yahoo and have attributed it to you:

*When I called MECHANIC'S Heating & Air Conditioning, I was told that the service call would cost me \$29.95 to diagnose the problem with my heating system. When the service technician came to my house, she told me I would have to pay her \$29.95 to diagnose EACH of my TWO furnaces! She looked at one of my furnaces for LESS THAN 3 MINUTES, then told me I would have to pay her another \$89.95 to troubleshoot!! She took my \$29.95, and I still don't know why my furnace isn't heating properly! DO NOT DO BUSINESS WITH MECHANICS HEATING & AIR CONDITIONING. THEY ARE EXPENSIVE, & NOT HONEST ABOUT THEIR PRICING !!*

If this is NOT your post, please provide me with this information immediately.

Unfortunately, we occasionally have customers like you that try to cause our firm damage by making false and incorrect statements about our firm. Unfortunately for you, Mechanic's is not the kind of Company to just "roll over" and take the abuse.

NOTICE is hereby given to you that if the following post(s) are NOT removed by you within 48 hours, Mechanic's will "Respond" to your post(s) PUBLICLY on our News Publication Web Site located at [www.MechanicsResponds.com](http://www.MechanicsResponds.com).

We will also submit your file to our attorney's office for review. Please see this link of a GA blogger who had to pay big bucks for his comments:

Here is the president of the Metro Atlanta BBB. We took out a ".com" in his name!

Here is a customer that really puts things in perspective:

Just type "Vlasta Thurow" in Google and see how high she pulls up on the front page!

One person who tried to stick it to us is a Staff Attorney on the GA Court of Appeals. Feel free to Google "Simon Weinstein". He is easy to find - He is listed on top of Google at our web page:

As you can see, Mechanic's will make sure we "Respond" in kind to your post.

I look forward to telling our side on-line for all to see forever.

I hope you make the right choice and retract your slanderous and illegal actions before it is too late.

Good news! I just checked, "JasonMascoe.com" is available!

The "choice" is yours!
